Message:

Per our telephone conversation today, attached is a copy of the IDS that we mailed on August 13, 2003 as well as the return-receipt postcard that was stamped by the USPTO as being received on August 18, 2003. Please note that the postcard receipt lists USPTO form 1449. Apparently, while the USPTO received the August 18, 2003 IDS that included the references, cover sheet and the 1449 form, only the non-US patent publications were scanned for your review.

Thank you for your help in this matter and for getting the previously submitted IDS submitted as timely. If you need further information, please do not hesitate to contact me.

Regards,

Frank J. Campigotto
